**MORENCI WATER AND
ELECTRIC COMPANY
REQUEST FOR AN
ORDER NUNC PRO TUNC**

On February 20, 2013, the Arizona Corporation Commission ("Commission") issued Decision No. 73737 regarding the Morenci Water and Electric Company ("MWE") 2011 rate case filing for both its Electric and Water Departments. In reviewing the Decision, MWE noticed a typographical error concerning the Electric Department rate for Large Commercial customers on page 23. The Base Cost of Purchased Power per kWh should reflect the updated rate of \$0.05000, which is the same Base Cost of Purchase Power rate for the other customer classes. Also, regarding the service charge for re-establishment of service on pages 24, 25, and 27 – the calculation should reflect the monthly minimum times months "disconnected" instead of "discounted."

Therefore, MWE requests that Decision No. 73737 amended by making the changes specified above. MWE believes that these are conforming changes and requests that the Commission enter an Order Nunc Pro Tunc to amend the decision.
